

**Calling all MAC Members!**  
**Have You Renewed for 2019?**

The time has come for you to renew your MAC membership. Membership is based on the calendar year, so by renewing before January 31, you maximize your benefits and ensure your eligibility to vote in the 2019 MAC election. This year, MAC is also debuting a new and very affordable \$20 student rate. Student membership comes with all the individual membership benefits that keep you in touch with colleagues across the Midwest through the *MAC Newsletter*, abreast of current trends in the field through *Archival Issues*, and head of the class with educational opportunities and other services.

Renewing online is easy. Simply go to [midwestarchives.org](http://midwestarchives.org), and select the Membership Renewal Form located under the Membership dropdown menu. Log in with your username and password, and follow the directions to complete the form, making sure your information is up to date. From there, you can choose to pay online or with a check in the mail.
