NHPRC ARCHIVAL ADMINISTRATION FELLOWSHIPS HOST INSTITUTION PROPOSALS SOLICITED

The National Historical Publications and Records Commission and the Andrew W. Mellon Foundation announce the fourth year of jointly-funded fellowships in archival administration for the 1988-89 academic year. Archival institutions interested in hosting a fellow are encouraged to submit applications to the commission by October 1, 1987. The deadline is substantially earlier than in previous years.

The primary criterion for institutional selection is the capability of involving the fellow in a wide range of archival

administration experiences. The fellowships are intended to provide the fellows with nine to ten months of training through work with experienced archivists in the administration of archival institutions.

Host applications must be returned to the commission not later than October 1, 1987. Please request guidelines and application forms from the NHPRC - NPR, National Archives Building, Washington, D.C. 20408 (202) 523-5386.
