

SELECTED BIBLIOGRAPHY

BAKER, CARL F.

1895. Preliminary studies in Siphonaptera. Canadian Entomologist, 27, pp. 19-22, 63-67, 108-112, 130-132, 162-164, 186-191, 221-222.

1898. Notes on Siphonaptera, with descriptions of four new species. Journal of the New York Entomological Society, 6: 53-56.

1904. A revision of American Siphonaptera or fleas, together with a complete list and bibliography of the group. Proceedings of the United States National Museum, 27: 365-469.

1905. The classification of the American Siphonaptera. Proceedings of the United States National Museum, 29: 121-170.

BISHOPP, F. C.

1931. Fleas and their control. United States Department of Agriculture, Farmers Bulletin 897, pp. 3-15.

1937. How to control fleas. United States Department of Agriculture, Leaflet No. 152, pp. 1-4.

CHAPIN, E. A.

1919. New species of North American Siphonaptera. Bulletin of the Brooklyn Entomological Society, 14: 49-62.

EWING, H. E.

1924. Notes on the taxonomy and natural relationship of fleas, with descriptions of four new species. Parasitology, 16: 341-355.

1925. Notes on the siphonapteran genus *Doratomyia* Jordan and Rothschild. Journal of Parasitology, 12: 43-46.

1929a. Notes on the siphonapteran genus *Catallagia* Rothschild including the description of a new species. Proceedings of the Biological Society of Washington, 42: 125-127.

1929b. Manual of external parasites, pp. 153-183.

1931. Some factors affecting the distribution of and variation in North American ectoparasites. American Naturalist, 65: 360-369.

—, and IRVING FOX

1938. Occurrence of the oriental rat flea in the interior of the United States. Science, 88: 427.

FOX, CARROLL

1914a. Some new Siphonaptera. United States Public Health Service Hygienic Laboratory, Bulletin No. 97, pp. 7-17.

FOX, CARROLL

1914b. The taxonomic value of the copulatory organs of females in the order Siphonaptera. United States Public Health Service Hygienic Laboratory, Bulletin No. 97, pp. 19-25.

1925a. A comparative study of rat flea data for several seaports of the United States. United States Public Health Service, Public Health Reports, 40:1909-1934.

1925b. Insects and Disease of Man, pp. 112-142.

1931. A limited rat flea survey of Savannah, Georgia. United States Public Health Service, Public Health Reports, 46:574.

FOX, IRVING

1939. New species and a new genus of Nearctic Siphonaptera. Proceedings of the Entomological Society of Washington, 41:46-50.

HASSELTINE, H. E.

1929. Rat flea survey of the Port of Norfolk, Virginia. United States Public Health Service, Public Health Reports, 44:579-589.

ILLINGWORTH, J. F.

1915. Notes on the habits and control of the chicken flea (*Echidnophaga gallinacea* Westwood). Journal of Economic Entomology, 8:492-495.

JORDAN, KARL

1925. New Siphonaptera, Novitates Zoologicae, 32:96-112.

1926. On Xenopsylla and some allied genera of Siphonaptera. Verhandlungen des III Internationalen Entomologen-kongresses (1925), pp. 593-627.

1928. Siphonaptera collected during a visit to the eastern United States of North America in 1927. Novitates Zoologicae, 34:178-188.

1929a. Notes on North American fleas. Novitates Zoologicae, 35:28-39.

1929b. Further records of North American bird fleas. Novitates Zoologicae, 35:89-92.

1929c. On a small collection of Siphonaptera from the Adirondacks with a list of the species known from the state of New York. Novitates Zoologicae, 35:168-177.

1930. On some problems of distribution, variability, and variation in North American Siphonaptera. Transactions of IV International Congress of Entomology (1928), pp. 489-499.

1933a. Records of Siphonaptera from the state of New York. Novitates Zoologicae, 39:62-65.

1933b. A survey of the classification of the American species of *Ceratophyllus* s. lat. Novitates Zoologicae, 39:70-79.

JORDAN, KARL

1937. On some North American Siphonaptera. *Novitates Zoologicae*, 40: 262-271.

———, and N. CHARLES ROTHSCILD

1915a. Contribution to our knowledge of American Siphonaptera. *Ectoparasites*, 1: 45-60.

———, and ———

1920a. On the species and genera of Siphonaptera described by Kolenati. *Ectoparasites*, 1: 61-64.

———, and ———

1920b. On American bird-*Ceratophylli*. *Ectoparasites*, 1: 65-76.

———, and ———

1921a. New genera and species of bat-fleas. *Ectoparasites*, 1: 142-162.

———, and ———

1921b. On *Ceratophyllus fasciatus* and some allied Indian species of fleas. *Ectoparasites*, 1: 178-198.

———, and ———

1923. On the genera *Rhopalopsyllus* and *Parapsyllus*. *Ectoparasites*, 1: 320-370.

LIU, CHI-YING

1935. Two new bird *Ceratophylli* from Minnesota. *Annals of the Entomological Society of America*, 28: 121-125.

OSBORN, HERBERT

1896. Insects affecting domestic animals. United States Department of Agriculture, Division of Entomology, Bulletin No. 5, new series, pp. 141-155.

OUDEMANS, A. C.

1909. Neue Ansichten über die Morphologie des Flohkopfes, sowie über die Ontogenie, Phylogenie und Systematik der Flohe. *Novitates Zoologicae*, 16: 133-158.

PACKARD, ALPHEUS S.

1895. On the systematic position of the Siphonaptera, with notes on their structure. *Proceedings of the Boston Society of Natural History*, 26: 312-355.

RILEY, WM. A.

1936. The tropical or oriental rat flea, *Xenopsylla cheopis*, established in Minnesota. *Journal-Lancet*, 56: 591-592.

ROTHSCHILD, N. CHARLES

1906. Notes on bat fleas. *Novitates Zoologicae*, 13: 186-188.

———

1915a. Further notes on *Siphonaptera Fracticipita*, with descriptions of new genera and species. *Ectoparasites*, 1: 25-29.

———

1915b. On *Neopsylla* and some allied genera of Siphonaptera. *Ectoparasites*, 1: 30-44.

———

1921. The generic name of the sand-flea. *Ectoparasites*, 1: 129-130.
